## CALL FOR PAPERS

### 16<sup>TH</sup> WORLD CONFERENCE ON TRANSPORT RESEARCH

**MONTREAL (CANADA), JULY 17-21, 2023**

The World Conference on Transport Research Society (WCTRS) is happy to announce that the 16<sup>th</sup> World Conference will be held from July 17<sup>th</sup> to 21<sup>st</sup> in MONTRÉAL (Québec, CANADA) at the Palais des Congrès.

The aims of the conference are to bring together experts in all areas of transport research from all parts of the world and to stimulate the exchange of ideas in the field of transport policy and practice.

**Authors are invited to submit one or more full papers to the following topic areas:**

- Topic Area A: Transport Modes – General
- Topic Area B: Freight Transport and Logistics
- Topic Area C: Traffic Management, Operations and Control
- Topic Area D: Activity and Transport Demand
- Topic Area E: Transport Economics and Finance
- Topic Area F: Transport, Land-use and Sustainability
- Topic Area G: Transport Planning and Policy
- Topic Area H: Transport in Developing and Emerging Countries
- Topic Area I: Infrastructure Design and Maintenance

We offer a peer review of each paper to assess its potential for presentation, publication and the award of a prize. As with previous conferences, selected papers will be published in proceedings. In close cooperation with major scientific transportation journals, special issues will be prepared (typically more than 20), supporting publication of excellent papers. WCTRS support for publications is conditional on the outcome of the reviews and on presentation at the conference. The organisation is managed through EasyChair. Detailed information on society membership, the content of each Topic Area and its Special Interest Groups (SIGs) is provided on the WCTRS website: <https://wctrs-society.com/>.

Details regarding the Montreal conference will be posted on: <http://wctr2023.ca>. Information will be available about registration possibilities, opportunities for bursary awards, the Palais des Congrès venue, hotel reservations, travel and weather.
